

New England Environmental Justice Forum

Webinar Series

This year, join Environmental Justice advocates from across New England for a series of 5 webinars on important EJ topics:

- Climate justice
- Energy justice
- State EJ laws
- Food, agriculture, and vacant lots

Join us for our second webinar...

Energy Justice – part 1

How are communities helping themselves be more energy efficient and addressing the specific energy challenges of low-income households? featuring Alex Papali from Clean Water Action (Boston) and the Green Justice Coalition, and Koby Owusu-Ansah and Benito Vega from the Regional Environmental Council and Weatherize Worcester

On Wednesday, June 5th, 2013 from 4-5pm

Call [866-299-3188](tel:866-299-3188) to join the conference call. When prompted enter the conference code: [6179181797](tel:6179181797).

You can participate by phone only, or you have the option of joining the webinar as well. To join the webinar, go to
