

# New England Environmental Justice Forum

## Webinar Series

This year, join Environmental Justice advocates from across New England for a series of 5 webinars on important EJ topics:

- Climate justice
- Energy justice
- State EJ laws
- Food, agriculture, and vacant lots

Join us for our fourth webinar...

## Energy Justice – part 2

How are EJ communities fighting to reduce the public safety, public health, and environmental impacts of power plants and biofuels in their neighborhoods?

featuring **Dan Fischer** from Connecticut Coalition for Environmental Justice, who will discuss the Bridgeport Anti-Coal campaign, and **Kim Foltz** from the Chelsea Creek Action Group, who will discuss preventing the transportation of ethanol by rail through densely-populated EJ communities in Greater Boston.

On Wed., Sept. 25<sup>th</sup>, 2013 from 4-5 p.m.
